Once we've received your completed form, we will be in touch.

You will be automatically placed on our Variable Tariff. Where you move into premises that we supply without agreeing on a contract with us, our deemed contract terms will apply. Deemed contract terms do not have a fixed end date or fixed energy rates and are usually higher than fixed-term contracts.

We will charge you our Variable Tariff rates for the electricity supply or gas supply (or both) at each deemed premise. We will change the Variable Tariff from time to time. The current rates (correct at the time of print) can be found on our website at business.utilita.co.uk/downloads

Our best prices are available on our Fixed rate deals. Please call our Business Energy Sales Team on **01376 313 248** to get a quote.
